RE: UAL Awarding Body Level 2 Diploma in Performing & Production Arts (601/1824/6)

Dear Ross,

I am writing to confirm that *Stratford-upon-Avon College (UKPRN 10006002)* recognizes and values the UAL Awarding Body Level 2 Performing & Production Arts, which provides a progression route to the next level of learning in the subject.

The Level 2 Diploma in Performing & Production Arts provides students with opportunities to develop the skills, knowledge and understanding they need to progress successfully to Level 3.

The qualification supports students to develop technical and specialist skills relevant to the performing and production arts and its related disciplines, together with broad soft skills such as communication, team-working, reflective practice and independent learning.

Students completing the UAL Awarding Body Level 2 Diploma in Performing & Production Arts at *Stratford-upon-Avon College* are able to progress to the UAL Awarding Body Level 3 Diploma in Performing & Production Arts and/or the UAL Awarding Body Level 3 Extended Diploma in Performing & Production Arts, which we also deliver. This progression route is presented visually here:

I also confirm that *Stratford-upon-Avon College* is happy for this letter of support to be made available on the UAL Awarding Body website.

Please don't hesitate to contact me if you require any further information.

Yours sincerely,

Claire Morley
